Polish Refugees Start Movement To Free Country

Mass Meeting Held Under Auspices of War Sufferers' League Initiates Propaganda to Give Liberty.

By Evening Herald Leased Wire

Los Angeles, May 15.—A movement which its sponsors hope will result in the freedom of Poland was under way here today as a result of a mass meeting held yesterday under the auspices of the Polish-American War Sufferers' Relief League.

A resolution declaring that "Poland and the Polish nation shall be free and independent from all allegiance, vassalage or obligation to any political or diplomatic power, doctrine, tradition, dictation or influence," was adopted. It was addressed to "the nations, arbitrators and international judges for peace and justice in the world," and will be sent to the peace tribunal which will draw up terms at the close of the European war, it was said.

THOUSANDS SEE NEGRO LYNNED IN WACO SQUARE

Man Convicted of Criminal
Assault and Murder Taken
From Court Room by Rush
of Citizens and Burned.

Waco, Tex., May 15.—With 15,000 persons as witnesses, including women and children, Jesse Washington, negro boy, who confessed to the criminal assault and murder of Mrs. Lucy Fryar, seven miles south of here last Monday, was taken from the Fifth district court room today and burned on the public square.

The burning came immediately after the jury had returned a verdict of guilty, giving him the death penalty. Some one not far from the negro started the cry of "get the negro" and Washington was seized.

A suggestion that he behaved on the plaza met with instant response, and he was dragged to the city hall yard, where the chain already around his neck, was thrown over the limb of a tree, wood secured and the fire started.
